

MORAY FIRTH CYCLING CLUB

Cromarty Stage Race

Welcome to Moray Firth Cycling Club's two day Stage race based in the village of Cromarty.

We are delighted that Scottish Chartered Surveying firm KLM Partnership have kindly agreed to be our jersey sponsor for this year's race.

The Race HQ is the Victoria Hall situated on the right hand side of Cromarty High Street as you enter the village. The hall will be open daily from 9am and has changing & toilet facilities and post-race refreshments; there is ample car parking to be found in and around the village itself.

STRICTLY NO PARKING IMMEDIATELY OUTSIDE THE HALL

Race Format

The racing begins at 10am on Saturday with a 4mile Prologue and then a 58mile Road Race consisting of three and half laps of a 16.7mile (approx.) circuit, finishing on top of Mount High. Sunday's final stage begins at 10am with a 50mile Road Race that starts and finishes in Cromarty and covers two laps of a 20mile circuit that climbs Mount Eagle twice.

Please note that 'Sign On' will close 30mins before Start Times for ALL stages.

Stage routes and profiles can be found within this information pack.

Stage 2 – Please note that there is a layby some 200-300m beyond the race finish line on the left hand side; this is where all riders must congregate immediately after the finish. **DO NOT** ride through the finish line until directed as this may interfere with the Photo-Finish Equipment. The Finish line is 7miles from the Race HQ, a vehicle will take clothing to the finish for the return cycle to the Race HQ.

Stage 3 – Please note that there is a narrow temporary single carriageway bridge at the bottom of Mount High. Care must be taken at this point as riders will approach this bridge at speed following the long decent off Mount High. Red warning flags and road narrowing signs will be present in this area together with additional Race Marshalls.

Race Service

ALL riders are expected to provide a spare wheel for service (A rider NOT providing a spare wheel may be refused service in the event of a puncture):

Spare Wheels:

- Even No.'s – FRONT
- Odd No.'s – REAR
